

A **PLAYCORE** Company

PROJECT FUNDING GUIDE

Looking for help funding your next project? Please use this guide to search for regional or national organizations that are committed to physical activity in our communities.

The grants listed are funded by the organization specified in each grant summary. Please contact each funder directly for specific questions, deadlines, and eligibility requirements.

You can also search funding online at: www.playcore.com/funding

AARP FitLot (National)

<https://fitlot.org/>

FitLot is a 501c(3) nonprofit organization committed to helping communities find the resources they need to plan, build and program outdoor fitness parks. We believe that every individual can and should enjoy the health benefits of a more active lifestyle.

Amount: \$150K

ACHIEVE Healthy Communities (National)

<http://www.achievecommunities.org/>

ACHIEVE (Action Communities for Health, Innovation, and EnVironmental changeE) is sponsored by the (CDC). Selected national organizations collaborate with CDC to enhance local communities' abilities to help prevent or manage health-risk factors for heart disease, stroke, diabetes, cancer, obesity, and arthritis. Specific activities are directed toward promoting physical activity and healthy eating, improving access to quality preventive healthcare services, and eliminating health disparities. Some examples of community-based improvements include, but are not limited to, increased access to and use of attractive and safe locations for engaging in physical activity.

Aegon Transamerica Foundation (National)

<http://www.transamerica.com/individual/what-we-do/about-us/aegon-transamerica-foundation>

Transamerica believes their responsibilities go beyond corporate walls. Therefore they created the Aegon Transamerica Foundation. Through financial grants and the volunteer commitment of their employees, they support non-profit organizations focused on the education, health and well-being of the communities where they live and work. The Foundation's grant dollars go to the following categories of non-profit organizations: Arts & Culture: Programs that foster creativity in the areas of music and the performing arts, including venues for artistic expression. Civic & Community: Programs that strive to promote community development, encourage civic leadership, and enhance work and business opportunities. Education & Literacy: Programs with a mission to provide knowledge and to expand individuals' capabilities, especially in the areas of financial literacy. Health & Welfare: Programs committed to improving the condition of the human body through nutrition, housing for the homeless, disease prevention and more. United Way: In addition to leading an annual campaign, employees' contributions are matched by at least 50%.

AETNA Foundation (National)

<https://www.aetna-foundation.org/grants-partnerships/grants.html>

Philanthropic arm of AETNA which provides grants to communities improving overall health and factors. Funded \$2 million in 2017, work that advances resident or youth-led initiatives, and fosters participants' social engagement. Grantees will focus on measurable outcomes, including greater consumption of fruits and vegetables, decreased bullying behaviors, stress management and increased physical activity.

Aetna Foundation Obesity Prevention Grant Program (National)

<http://www.aetna-foundation.org/foundation/index.html>

The Aetna Foundation want to learn more about the underlying causes of obesity so they can inform and shape effective health and wellness programs. They want to understand the causes that contribute to obesity, particularly among minority populations, and how to support and sustain better choices in order to prevent overeating and reduce inactivity.

Amount: Regional: \$25,000 - \$40,000 / National: \$50,000 - \$150,000

Deadline: Rolling on a quarterly basis: February 15, March 15, August 15, November 15

Allstate (National)

http://www.allstatefoundation.org/foundation_agency_owner.html

Programs should focus on safety education with a special emphasis on youth, tolerance and inclusion. Their Safe and Vital Communities funding focuses on Teen Safe Driving, Catastrophe Response, and Neighborhood Revitalization.

Deadline: Rolling

American Dermatology Shade Structure Grants (National)

<https://assets.ctfassets.net/1ny4yoiryqia/7fj8fA7fcU1KT6lyWyt7a/a2d9fc6ea2423d96a25369737/structure-program-guideline-booklet.pdf#page=5>

"Grants to USA daycares, schools, parks, and nonprofit organizations serving children and youth for projects that increase the safety of outdoor play spaces. Funding may be used for the cost of materials and installation of shade structures. Grantees will also receive a permanent sign to be placed near the shade structure featuring sun-safety tips. The American Academy of Dermatology's (AAD) Shade Structure Program awards funds to schools, day-cares, parks, and other non-profit organizations for installing permanent shade structures where children learn and play. Examples of outdoor locations that are eligible for grant funds can include, but are not limited to playgrounds, pool decks, ball field dugouts, eating areas, etc."

Amount: \$8,000

American Express (National)

http://about.americanexpress.com/csr/comm_serv.aspx

One of the three divisions of American Express grant program includes community service which could be a good fit for playground installations. Check out their website to learn more about projects that have been funded, initiatives and how to apply.

Amount: Varies

Deadline: Rolling

American Trails (National)

<http://www.americantrails.org/resources/fedfund/index.html>

American Trails is the only national, nonprofit organization working on behalf of all trail interests. American Trails support local, regional, and long-distance trails and greenways. Their goal is to support America's trails by finding common ground and promoting cooperation among all trail interests

Bank of America (National)

<http://www.bankofamerica.com/foundation>

Working in partnership with community leaders, Bank of America's local market leadership directs the majority of our giving through local grants that address pressing social, economic, and cultural needs of communities across their global footprint. In addition, they partner with national organizations such as the United Way of America and Habitat for Humanity International to direct resources to local communities. Through their signature philanthropic program, the Neighborhood Excellence Initiative™, they enhance nonprofits' ability to serve more individuals and families in need and develop nonprofit visionaries, local heroes, and students as the community leaders of today and tomorrow.

Amount: Award amounts vary

Deadline: Check website

Better Bicycling Community Grants (National)

http://www.performancebike.com/bikes/Content_10052_10551_-1_CommunityGrants

Performance Bicycle will recognize some of the bicycle advocacy organizations making a difference by granting a total of \$30,000 in 10 communities. These Better Bicycling Community Grants will support local efforts to make cycling more accessible in the communities where there are Performance stores. The grants are administered in collaboration with the Alliance for Biking & Walking. Criteria: Must be located in a community where there is a Performance store Incorporated as a 501c3 or 501c4 organization Proposes a campaign that is winnable with measurable results Proposes a campaign that will celebrate and enhance bicycling in a Performance community Recommended but not required that the applying organization is a member of the Alliance for Biking & Walking

Bill and Melinda Gates Foundation (National)

<http://www.gatesfoundation.org/>

This Foundation awards the majority of its grants to U.S. 501 (c) (3) organizations and other tax-exempt organizations. In deciding how to invest their resources, they look for projects that help reduce inequities in neglected areas, produce measurable results, catalyze increased momentum, collaborate with government, philanthropic, private-sector, and not-for-profit partners, favor preventative approaches, leverage support from other sources, advance their current strategies, accelerating the work they are already supporting.

BNSF Railway Foundation (National)

<http://www.bnsffoundation.org/how-to-apply/>

This Foundation makes grants in the 28 states through which BNSF operates, and where BNSF employees live, work and volunteer. Among their grant priorities are civic programs that involve parks and recreation, as well as health and human services.

Amount: \$1,000 – \$10,000

Deadline: Rolling

CDC Grants (National)

<https://www.cdc.gov/grants/index.html>

The Centers for Disease and Control and Prevention (CDC) uses grants and cooperative agreements to fund research and non-research public health programs that advance the agency's public health mission domestically and abroad to keep Americans safe and healthy where they work, live and play. In fiscal year 2019, the Office of Grants Services (OGS) supported 5,010 grant awards to 1,289 recipients. These awards generated 12,418 actions that placed more than \$5.9 billion into public health programs and research around the world. OGS also published 108 new Notice of Funding Opportunities (NOFOs). To learn more, please review our FY 2019 Assistance Snapshotpdf icon.

Challenge Cost Share Programs (National)

<http://www.nps.gov/ncrc/programs/ccsp/index.htm>

The Challenge Cost Share Program (CCSP) increases participation in the preservation and improvement of National Park Service natural, cultural, and recreational resources. This includes all authorized Service programs and activities and on national trails. The CCSP is a matching fund program. An equal amount of eligible and matching share (minimum 50%) of cash, goods, or services from nonfederal sources is required. Projects selected should generally be able to be completed within one year.

Amount: Up to \$25,000

Christopher & Dana Reeve Foundation: Quality of Life Grants Program (National)

<https://www.christopherreeve.org/blog/daily-dose/quality-of-life-grant-cycle-opens-february-2-2021>

The Christopher & Dana Reeve Foundation's Quality of Life Grants Program is designed to address social isolation during the COVID-19 pandemic with the goal of enhancing connectedness of people living with paralysis and their caregivers to their communities and preventing adverse health outcomes. Funds may support programs and projects to connect isolated individuals and remotely foster engagement and connection, adapt services or create new services to continue to support and engage family caregivers, facilitate connection through the use of technology, provide programs with online opportunities for volunteering, create strategies to strengthen and/or build social networks, and provide access to tools and resources to help people remain connected and engaged.

Amount: Varies

Deadline: March 16, 2021

Christopher and Dana Reeve Foundation - Quality of Life Grants (National)

http://www.christopherreeve.org/site/c.ddJFKRNoFiG/b.4435149/k.A6F7/Program_Overview.htm

The Reeve Foundation awards Quality of Life grants up to \$25,000 to organizations that provide services to individuals with paralysis. Applications are welcome from non-profit organizations with IRS 501(c)(3) status, municipal and state governments, school districts, recognized tribal entities and other institutions such as community or veteran's hospitals. Grants are awarded to organizations that address the needs of people living with paralysis caused by spinal cord and other injuries, diseases or birth conditions, including (but not limited to) stroke, spina bifida, multiple sclerosis, cerebral palsy and amyotrophic lateral sclerosis (ALS). Twice a year, funding is awarded to nonprofit organizations that provide critical life-enhancing and life-changing programs and services that improve physical and emotional health. Quality of Life grants is funded through a cooperative agreement with the Centers for Disease Control and Prevention (Award #1U59DD000383). These grants are awarded to nonprofit organizations that address that needs of people living with paralysis caused by spinal cord and other injuries, diseases and birth conditions, including (but not limited to) stroke, spina bifida, multiple sclerosis, cerebral palsy and amyotrophic lateral sclerosis (ALS). The Reeve Foundation has provided 2,300 grants since 1999 totaling more than \$17 million to organizations worldwide that help improve opportunities, access and quality of life for individuals living with paralysis, their families and their communities.

Deadline: TBD

Community Development Block Grant Program - CDBG (National)

[http://portal.hud.gov/hudportal/HUD?](http://portal.hud.gov/hudportal/HUD?src=/program_offices/comm_planning/communitydevelopment/programs)

[src=/program_offices/comm_planning/communitydevelopment/programs](http://portal.hud.gov/hudportal/HUD?src=/program_offices/comm_planning/communitydevelopment/programs)

The Community Development Block Grant program provides resources to assist with developing communities. The program provides annual grants using a formula based on a variety of measures to 1209 general units of local government and States. Grant amounts vary by state. The list of CDBG grantees in each state can be found at the following link:

Deadline: Rolling

Community Development Block Grants (National)

https://www.hud.gov/program_offices/comm_planning/communitydevelopment/programs

The Community Development Block Grant (CDBG) program is a flexible program that provides communities with resources to address a wide range of unique community development needs. Beginning in 1974, the CDBG program is one of the longest continuously run programs at HUD. The CDBG program provides annual grants on a formula basis to 1209 general units of local government and States.

Amount: \$987M

Community Facilities Grants (National)

<https://www.rd.usda.gov/programs-services/community-facilities-direct-loan-grant-program>

Community Facilities Programs provides grants in order to assist in developing essential community facilities in rural areas and towns with populations up to 20,000. Applicants that are located in smaller communities with lower populations and lower incomes will receive a higher percentage of grants. Some of the types of Grants available to public entities include municipalities, counties, parishes, boroughs, and special-purpose districts, as well as non-profit corporations and tribal governments.

Conagra Brands Foundation (National)

<https://www.conagrabrands.com/our-company/conagra-brands-foundation>

Through our community impact grant program, the Conagra Brands Foundation continues to build upon our rich heritage of investing in the communities where Conagra Brands operates. We partner with respected community-based nonprofits that provide highly effective programs to transform people's lives.

Amount: \$350K

Cooperating Collections (National)

<http://grantspace.org>

Free funding information centers in libraries, community foundations, and other nonprofit resource centers that provide a variety of supplementary materials and services in areas useful to grant seekers. Information includes grant searches, blanket applications and a wealth of other valuable information to help you find the right grant, then target your proposal to it.

Credit Enhancement for Charter Schools Facilities (Credit Enhancement) Program (National)

<https://innovation.ed.gov/what-we-do/charter-schools/credit-enhancement-for-charter-school-facilities-program/>

The Credit Enhancement program enables public charter schools to obtain school facilities by assisting them in securing private-sector and other non-Federal capital, and targets its funds to schools focused on high-needs students. Through innovative credit enhancement mechanisms, grantees leverage a relatively small amount of Federal funds to access much greater funding for charter school facilities.

CSX Beyond Our Rails - Giving Gateway (National)

<http://www.beyondourrails.org/index.cfm/community/giving-gateway/>

CSX makes donations to organizations that are eligible to receive charitable donations and that support causes that align with our community focus areas.

CVS Caremark Community Grant (National)

<https://www.cvshealth.com/social-responsibility/our-giving/foundation-giving/community-health-grants>

To ensure that they make a positive impact, the CVS Community Grants Program will focus on inclusive programs and programs for children with disabilities under age 21; academic and enrichment programs at public schools; and programs that provide access to quality health care services and health education for at risk and underserved populations of all ages. Requests for CVS Caremark Community Grants are accepted beginning on January 1 and ending on October 31.

Amount: Up to \$5,000

Deadline: Rolling

CVS Foundation (National)

<https://www.cvshealth.com/social-responsibility/our-giving/cvs-health-foundation/grants>

"The CVS Health Foundation has made a multi-million commitment to expanding access to quality health care nationwide through partnerships with the National Association of Free & Charitable Clinics (NAFC) and the National Association of Community Health Centers (NACHC). In 2016, grants have been awarded to free and charitable clinics and community health centers nationwide to increase access, improve health outcomes and lower overall health costs across the country in innovative and strategic ways. "

Darden Restaurants Foundation Grants (National)

<https://www.darden.com/citizenship/people/community-involvement>

The Darden Restaurants Foundation, supported by Darden Restaurants (operators of Red Lobster, The Olive Garden and other restaurants), makes grants in communities in which Darden has facilities. Areas of interest are: • Education • The Arts and Culture • Social Services • Nutrition • Environment and Natural Resources Grants ranging from \$5,000 to \$100,000 each. Application Process: Grant applications can be found online. The Darden Restaurants, Inc. Foundation reviews and awards grants quarterly – September, November, February and May. Darden's fiscal year runs from the beginning of June to the end of May.

Amount: \$5,000 - \$100,000

Deadline: Reviews and awards grants quarterly

Dog Park Fund - My Darling Theo (National)

<http://www.mydarlingtheo.org/dpfhowitworks>

Grants will be awarded to US based, organized non-profit dog park groups. The fund will be generously supported by monetary donations from the general public. Twice a year there will be a call for submissions and America will vote over the internet for the winners. The grant will be awarded and distributed to the winning organized non-profit dog park community group.

Doris Day Animal Foundation (National)

<http://www.dorisdayanimalfoundation.org/grants>

The Doris Day Animal Foundation funds nonprofit 501c3 organizations that need assistance in their work of caring for and protecting animals. DDAF evaluates prospective grantees and makes grants throughout the year, considering applications quarterly. Submissions are accepted during January, April, July and October.

Dr. Scholls Foundation (National)

<https://www.drschollfoundation.com/application-procedures/preferences-limitations/>

"Applications for grants are considered in the following areas: Education Social Service Healthcare Civic and Cultural Environmental"

Amount: \$25,000

Deadline: March 1, 2021

Environmental Protection Agency Environmental Education Grants (National)

<https://www.epa.gov/education/environmental-education-ee-grants>

The Grants Program sponsored by EPA's Environmental Education Division (EED), Office of Children's Health Protection and Environmental Education, supports environmental education projects that enhance the public's awareness, knowledge, and skills to help people make informed decisions that affect environmental quality. EPA awards grants each year based on funding appropriated by Congress.

ESSA Shape (National)

https://www.shapeamerica.org/advocacy/ESSA_Funding.aspx

Shape partners with NFL, USA Football, GENYOUth and Play60 to create online content for NFL FLAG-In-School. This online training course for health and physical educators is designed for use in grades 3-8. These activities align with SHAPE America's National Standards & Grade-Level Outcomes for K-12 Physical Education (PE), and are easy to integrate into existing PE curriculums or for use before, during or after school.

Ewing Marion Kauffman Foundation (National)

<http://www.kauffman.org/>

The Ewing Marion Kauffman Foundation works toward the vision of self-sufficient people in healthy communities. Their mission is to research and identify the needs of society and to develop, implement, and fund solutions that have a lasting impact and offer people a choice of hope for the future.

Federal Highway Administration Recreational Trails Program (National)

http://www.fhwa.dot.gov/environment/recreational_trails/

This program was created to fund construction and rehabilitation of trails for both motor and non-motorized usage. Although the program does not typically fund fitness equipment by itself, this can be included as a component of the overall project. There is a matching fund component to the grant, which can vary by state.

Amount: \$84M Nationwide

Federal-aid Highway Program (National)

https://www.fhwa.dot.gov/environment/bicycle_pedestrian/funding/

National Highway System funds may be used to construct bicycle transportation facilities and pedestrian walkways on land adjacent to any highway on the National Highway System, including Interstate highways. Surface Transportation Program (STP) funds may be used for either the construction of bicycle transportation facilities and pedestrian walkways, or non-construction projects (such as maps, brochures, and public service announcements) related to safe bicycle use and walking. Ten percent of each State's annual STP funds are set-aside for Transportation Enhancement Activities (TEAs). The law provides a specific list of activities that are eligible TEAs and this includes "provision of facilities for pedestrians and bicycles, provision of safety and educational activities for pedestrians and bicyclists". Congestion Mitigation and Air Quality Improvement Program funds may be used for either the construction of bicycle transportation facilities and pedestrian walkways, or non-construction projects (such as maps, brochures, and public service announcements) related to safe bicycle use. Recreational Trails Program funds may be used for all kinds of trail projects. 30 percent of all funds apportioned to a State must be used for non-motorized trail uses, and 40 percent for diverse trail uses. National Scenic Byways Program funds may be used for "construction along a scenic byway of a facility for pedestrians and bicyclists."

Finish Line Foundation (National)

<https://www.finishline.com/store/corporate/gadgets/about.jsp>

"The Youth Foundation is a philanthropic outlet for Finish Line to make a difference in the lives of youth in the communities it serves. To date, the Youth Foundation has awarded more than \$19 million in funding to support youth, Special Olympics athletes and Boys & Girls Clubs kids nationwide."

Amount: \$19,000,000

Ford Foundation (National)

<http://www.fordfoundation.org/grants/organizations-seeking-grants>

The Ford Foundation supports innovative thinkers, leaders and organizations that are working to reduce poverty and injustice and to promote democratic values, free expression and human achievement.

Amount: Varies

Deadline: See Website

Fuel Up to Play 60 (National)

<https://www.fueluptoplay60.com/funding/general-information>

Fuel Up to Play 60 (FUTP 60) is an in-school nutrition and physical activity program that helps students and staff, decide how to make their school a healthier place by offering free resources and competitive funding to schools. The Food and Nutrition Service and FUTP 60 have formed a partnership, which recognizes FUTP 60 as a great resource for schools wanting to become HUSSC award winners. Schools that activate FUTP 60 are eligible to apply for FUTP 60 Funds, worth up to \$4,000, for improving school nutrition and physical activity.

Amount: Up to \$4,000

Deadline: See website

Funding Factory (National)

<http://www.fundingfactory.com>

Not a traditional grant source, The Funding Factory helps schools earn leading edge technology, sports and recreation equipment (including playground equipment) by recycling empty printer cartridges and used cell phones. Schools collect empty printer cartridges and used cell phones and send them to The Funding Factory. Funding Factory provides all the shipping cartons and labels you need at no cost to your school. They also provide posters you can display at your school to help get the word out about your program.

Great American Outdoors Act (National)

<https://www.doi.gov/sites/doi.gov/files/doi-fy21-gaoa-dm-projects.pdf>

List of funding for 2021

Home Depot - Building Healthy Communities Grant Program (National)

<https://corporate.homedepot.com/grants/community-impact-grants>

The Home Depot Foundation offers grants, up to \$5,000, are available to IRS-registered 501c designated organizations and tax-exempt public service agencies in the U.S. that are using the power of volunteers to improve the physical health of their community. Grants are given in the form of The Home Depot gift cards for the purchase of tools, materials, or services. Our primary goal is to provide grants and volunteer opportunities to support the renovation, refurbishment, retrofitting, accessibility modifications, and/or weatherization of existing homes, centers, schools and other similar facilities.

Deadline: See Website

Hydroflask Parks for All (National)

<https://www.hydroflask.com/parks-for-all>

"Our Parks For All program supports non-profit organizations focused on building, maintaining, restoring, and providing better access to parks. To date we've donated over \$1.5 million dollars to our Parks For All program, because parks help us all feel happier, healthier and more fulfilled."

Amount: \$1,500,000

International Paper Foundation (National)

<http://www.internationalpaper.com/company/regions/north-america/ip-foundation-usa>

We continue to be a force for good in our communities. We make sustainable investments to protect and improve the lives of our employees and mobilize our people, products and resources to address critical needs in the communities where we live and work. Amount: Varies

Deadline: Rolling

Kaiser Permanente (National)

<http://share.kaiserpermanente.org/group/grants/>

We support innovative efforts to bring safe, physical activity to local schools, workplaces and neighborhoods. A healthy community is an environment that supports the physical, emotional and spiritual well-being of those who live, work, and play there. It could be a safe route for kids to walk or bicycle to school, a neighborhood grocery store stocked with fresh produce, or parks and playgrounds that welcome families and workplaces that promote wellness and physical activity.

Kate Reynolds Charitable Trust (National)

<https://kbr.org/grantmaking/funding-opportunities/>

The Kate B. Reynolds Charitable Trust works locally and statewide to improve equitable access to opportunity. We focus our grantmaking on achieving long-term, sustainable outcomes to support thriving communities and thriving residents. Listening to community, taking actions to foster equity, and shifting systems are integral to all we do.

Amount: \$30M

Land and Water Conservation Fund (National)

<http://www.nps.gov/lwcf>

The LWCF program gives matching grants to States and local governments to acquire and develop public outdoor recreation areas and facilities. The program's intent is to create and maintain a legacy of high quality recreational areas and facilities and to stimulate non-federal investments to protect and maintain recreational resources across the United States.

LL Bean Charitable Giving Fund (National)

http://www.llbean.com/customerService/aboutLLBean/charitable_giving.html

LL Bean supports non-profits in the areas of outdoor recreation and health & human services through their program. Grants are made only to tax-exempt 501(c)(3) organizations.

Amount: Varies

Deadline: Rolling

Lockheed Martin (National)

<http://www.lockheedmartin.com/us/who-we-are/community/philanthropy.html>

Lockheed Martin is committed to a program of philanthropy that supports the Corporation's strategic business goals and invests in the quality of life in the community. Applications are accepted year round and evaluations are typically performed quarterly. Organizations applying for a grant must have a non-profit tax exempt classification under 501c3, or be a public elementary/secondary school, or be a qualifying US-based institute of higher education.

M. Edward Morris Foundation Grants (National)

<http://www.morrisanimalfoundation.org/about-maf/history.html>

Seeks to fund organizations that support the care and protection of animals, preservation of natural resources, and the health and welfare of human beings. Thirteen grants are distributed each year with an average size between \$1,000 and \$5,500. Applications accepted year round.

Mattel Children's Foundation (National)

<http://corporate.mattel.com/about-us/philanthropy/childrenfoundation.aspx>

The Mattel Children's Foundation focuses its strategic grant making on one major objective: Improving the lives of children in need. The Mattel Children's Foundation has worked with thousands of charitable organizations and positively impacted millions of children since 1978. Over the years, the Foundation has funded new technologies, after-school activities, literacy projects, and programs to promote the health of children around the world.

May and Stanley Smith Charitable Trust (National)

<https://smithct.org/>

The May & Stanley Smith Charitable Trust envisions a human community that recognizes each individual as vital to the strength, richness, and well-being of the whole, and that motivates, empowers, and invites each to contribute and participate according to his or her ability and potential.

MetLife (National)

<https://www.metlife.com/metlife-foundation/index.html>

The MetLife Foundation makes grants to partners with an ability to reach low income households. The goal is to empower people to lead healthy, productive lives and strengthen communities. Underlying the Foundation's programs is a focus on education at all ages and a commitment to increasing access and opportunity. Applications are accepted & reviewed year round.

Michael and Susan Dell Foundation (National)

<https://www.dell.org/how-we-fund/grants/?tab=partnerships-content>

We collaborate with a range of organizations focused on creating opportunities for children and families living in urban poverty, with a deep emphasis on measuring impact. Our funding advances projects already making an impact in education, health, and family economic stability. Through these enduring and long-standing partnerships, we create lasting change together.

Amount: \$50,000

Muscle Milk Recovery Grant (National)

<http://www.musclemilkrecoverygrant.com/>

CytoSport, Inc. ("Sponsor") believes strongly that sports and exercise are essential to the health, well-being and happiness of children and adults of all ages. As a result, we want to give back to our audience by providing grant money to worthy school or community programs that have a specific need for resources to improve athletic opportunities for kids and young adults. To facilitate this goal, we developed the Muscle Milk® Brand Recovery Grant Program ("Grant Program"), which will provide a series of grants to deserving programs at least four times a year, and maybe more.

Deadline: See Website

National Environmental Education Foundation Restoration and Resilience COVID Recovery Fund (National)

<https://www.neefusa.org/grants/2021/restoration-resilience-fund>

The Restoration and Resilience COVID Recovery Fund is providing grants to support public lands, including parks, nature areas, and other green spaces, that have been impacted by increased use during the COVID-19 pandemic. The focus is on supporting agencies and organizations responsible for maintaining public lands by distributing resources and mobilizing volunteers to help keep up with increased human presence in these delicate ecosystems. Grants of up to \$2,500 will be awarded. Nonprofit organizations, state or federal government agencies, federally recognized tribes and local governments, and educational institutions are eligible to apply.

Amount: \$2,500

Deadline: April 1 & June 1, 2021

NFL Play 60 Super School Contest (National)

<http://www.nfl.com/superschool>

The NFL PLAY 60 Super School program has been recognizing deserving elementary and middle schools across the country since 2010. 34 schools are recognized each year as NFL PLAY 60 Super Schools for their efforts and awarded a \$10,000 youth health and wellness grant and a visit with one or more NFL players, mascots, cheerleaders and other team personnel. Since the program was started, more than \$1 million has been distributed to schools across the country impacting more than 60,000 students and funding projects like climbing walls, walking trails, new PE equipment, refurbished fitness zones and much more.

Partners for Places (National)

<https://www.fundersnetwork.org/partners-for-places/>

The Funders' Network is a membership organization that helps grantmakers across North America advance strategies to create fair, prosperous, and sustainable regions and communities that offer everyone the chance for a good life. We believe that the suite of tools available to funders—investing, grantmaking, collaborating, convening, facilitating, and more—uniquely position them to lead the movement for smarter growth policies and practices that benefit both places and people.

People for Bikes (National)

<http://www.peopleforbikes.org/pages/grant-guidelines>

The People For Bikes Community Grant Program assists in supporting bicycle infrastructure projects and advocacy initiatives that will make it easier and safer for people to ride. Grant applications for People For Bikes are accepted from non-profit organizations with a focus on bicycling, active transportation, or community development. People For Bikes only funds US projects. People For Bikes focuses most grant funds on projects such as: Bike paths, lanes, trails, and bridges, Mountain bike facilities, Bike parks and pump tracks, BMX facilities, End-of-trip facilities such as bike racks, bike parking, and bike storage, We also fund some advocacy projects, such as: Programs that transform city streets, such as Ciclovías or Open Streets Days, Initiatives designed to increase ridership or the investment in bicycle infrastructure. People For Bikes will accept requests for funding up to \$10,000. They will not consider grant requests in which funding amounts to 50% or more of the budget.

Deadline: April 6, 2018

PetSafe Bark for your Pet (National)

<https://barkforyourpark.petsafe.com/>

The PetSafe® Bark for Your Park™ grant program is committed to creating safe, off-leash areas for pets and their owners to enjoy for years to come. Bark for Your Park awards 13 communities each year with funding to not only break ground on new parks, but to also help maintain and upgrade existing parks.

Amount: \$200K

Preschool Grants for Children with Disabilities (National)

<http://www2.ed.gov/programs/oseppsg/index.html>

The program seeks to provide support and direct services; provide technical assistance and personnel preparation; assist LEAs in providing positive behavioral interventions and supports; and improve the use of technology in the classroom to improve the learning experiences of children with disabilities.

Project Fit America (National)

[http://www.projectfitamerica.org/grant_\\$_available.html](http://www.projectfitamerica.org/grant_$_available.html)

Project Fit America (PFA) is a national (501) (c) (3) non-profit organization that creates and administers exemplary fitness in education programming in elementary and middle schools. Under this umbrella we address self-esteem, fitness and exercise as fun, understanding their body, as well as, leadership, sportsmanship and character development.

Amount: Varies by State

Robert Wood Johnson Foundation (National)

<http://www.rwjf.org/en/grants/what-we-fund.html>

The Robert Wood Johnson Foundation provides grants for US projects that advance their mission to improve the health and health care of all Americans. In order for a project to be considered for funding, they must address one of their areas of focus. RWJF awards most grants through calls for proposals (CFPs). They also accept unsolicited proposals for projects that suggest new and creative approaches to solving health and health care problems.

Amount: Varies

Rural Community Development Initiative (National)

<http://www.rd.usda.gov/programs-services/rural-community-development-initiative-grants>

www.fhwa.dot.gov/environment/transportation_alternatives/

The Moving Ahead for Progress in the 21st Century Act authorized the Transportation Alternatives Program to fund programs and projects defined as transportation alternatives. This would include on and off road pedestrian and bicycle facilities, community improvement activities, and recreational trails programs.

Amount: \$835M

Tufts Health Foundation (National)

<https://www.tuftshealthplanfoundation.org/grant-seekers.php?page=grant-seekers/how-to-apply>

Tufts Health Plan Foundation's mission is to improve the health and wellness of the diverse communities we serve. Through our community investments, the Foundation has given more than \$26 million to Massachusetts, New Hampshire, and Rhode Island nonprofits that improve healthy living with an emphasis on older adults. The Foundation began funding in New Hampshire in 2016. The Foundation funds programs that move communities toward achieving age-friendly policies and practices that are relevant, focus on the most vulnerable, and include older adults in the process.

U.S. Department of Transportation's Federal Highway Administration (National)

http://www.fhwa.dot.gov/environment/bicycle_pedestrian/resources/bp-broch.cfm

The U.S. Department of Transportation's Federal Highway Administration is the nation's largest single source of funding for multiple use trails and related projects. The comprehensive federal surface transportation, SAFETEA-LU, includes significant funding for trails through programs including Transportation Enhancements and the Recreational Trails Program. Funds are available to develop, construct, maintain, and rehabilitate trails and trail facilities. Trail uses include hiking, bicycling, in-line skating, equestrian use, cross-country skiing, snowmobiling, off-road motorcycling, all-terrain vehicle riding, four-wheel driving, or using other off-road motorized vehicles.

USDA - United States Department of Agriculture (National)

<http://www.rd.usda.gov/>

Community and Economic Development: The Community and Economic Development Program assists both communities and regions in realizing their goals through assistance and grants Community Facilities Loans and Grants: Community Facilities Programs provide loans, grant and loan guarantees for community facilities. Some of the types of projects supported by this program include hospitals, health clinics, schools, fire houses, community centers and many other community-based initiatives.

W.K. Kellogg Foundation (National)

<http://www.wkkf.org/what-we-do/overview>

The W.K. Kellogg Foundation concentrates its resources on early childhood, within the context of families and communities, offers the best opportunity to dramatically reduce the vulnerability caused by poverty and racial inequity over time.

Deadline: See Website

Zanvyl & Isabelle Krieger Fund (National)

<http://kriegerfund.org/>

Current priorities of this fund include the environment and health, with a focus on underserved communities. Since many outdoor fitness parks can be used by people who cannot afford fee-based fitness facilities, by locating your new outdoor adult fitness park in an underserved community, you may qualify for this fund. The fund's website covers specific information that should be included in your proposal.

Amount: \$2,500 - \$25,000

Deadline: March 1 and September 1

Central Alabama Community Foundation (Alabama)

<http://cacfinfo.org/CACF-Grants-Information.html>

The Central Alabama Community Foundation and its affiliates (AACF, ECCF, and SACF) make grants that will improve the quality of life throughout Alabama. Grants are awarded annually by the Board of Directors to nonprofit agencies and programs that meet community needs and address community problems and opportunities. Organizations will need to provide a copy of their IRS Letter of Determination for 501c3 status. Grants are not awarded to: Individuals, Fundraising Events, or Capital Campaigns.

Rasmuson Foundation (Alaska)

<http://www.rasmuson.org/index.php?switch=viewpage&pageid=5>

Rasmuson Foundation is a private foundation that works as a catalyst to promote a better life for Alaskans. Since its founding and first grant of \$125 in 1955, Rasmuson Foundation has supported Alaskan non-profit organizations in the pursuit of their goals, with particular emphasis on organizations that demonstrate strong leadership, clarity of purpose, and cautious use of resources. The Foundation awards approximately \$30 million annually to improve the quality of life in Alaska.

Social and Economic Development Strategies for Alaska -SEDS-AK (Alaska)

<http://www.acf.hhs.gov/grants/open/foa/view/HHS-2014-ACF-ANA-NA-0776>

The Administration for Native Americans (ANA) announces the availability of Fiscal Year (FY) 2014 funds for community-based projects under the ANA Social and Economic Development Strategies (SEDS) program. This opportunity is focused on community-driven projects designed to grow local economies, strengthen Native American families. Native American communities include American Indian tribes, Native Hawaiians, Alaskan Natives, and Native American Pacific Islanders.

Deadline: April 2017

Arizona State Parks Grant Programs (Arizona)

<http://azstateparks.com/grants/index.html>

Arizona State Parks and Trails works with Federal, State, County and Municipal Governments, as well as Tribes, Clubs and Non-Profits to help fund outdoor recreation educational programs, projects that build recreational motorized and non-motorized trails, trail facilities, and playgrounds. These grants can also be used to develop ball fields, ramadas, picnic tables, grills, and tennis and basketball courts to name a few. Funds can also be used to increase outdoor recreational opportunities for those with disabilities. If your agency is considering building accessible trails, outdoor recreation facilities and/or educational-related projects, our grant programs will help you reach that goal.

Amount: Award amounts vary

Deadline: February 7 and September 10

Sundt Foundation (Phoenix and Tucson) (Arizona)

The California Endowment (California)

<http://www.calendow.org/grants-and-pris/>

Building Healthy Communities is a ten-year, \$1 billion, comprehensive community initiative that is creating a revolution in the way Californians think about and support health in their communities. In 14 places across California, residents are proving that they have the power to make health happen in their neighborhoods, schools and with prevention—and in doing so, they're creating a brighter future for their children and for their state.

Amount: Varies

Deadline: Rolling

The Clorox Company Foundation (California)

<https://www.thecloroxcompany.com/corporate-responsibility/purpose/grant-guidelines/>

The Foundation makes grants primarily in its headquarters community of Oakland, CA. Clorox manufacturing plants also operate small giving programs in their local communities. These programs are administered independently and serve agencies within a three-to-five mile radius of these facilities. The Foundation concentrates its contributions in two focus areas: education/youth development and culture/civic programs. Funding priorities may shift from year to year.

Deadline: by 5:00 pm PST/PDT on July 1, October 1, January 1, and April 1.

The Health Trust (California)

http://www.healthtrust.org/grants/index_g.php

The Health Trust's vision is to make Silicon Valley the healthiest area in America. Awards upwards of \$3 million in grants to organizations in their region that share our steadfast goals and commitment to building a healthy and vibrant community are awarded annually. The Health Trust also maintains a co-funding partnership with the Council on Aging to gain additional support for projects and programs that benefit older adults.

Amount: \$250-\$5,000 and \$25,000-\$100,000

Deadline: January 20, April 28

The McConnell Foundation (California)

<http://www.mcconnellfoundation.org/grants/>

The McConnell Foundation, located in Redding, California, is a broad-based funder that has awarded grants to 501(c)(3) nonprofit organizations, public education institutions, and government entities located in their giving area. They award grants primarily in Shasta, Siskiyou, Trinity, Tehama, and Modoc Counties. Through The McConnell Fund at the Shasta Regional Community Foundation, grant requests of up to \$50,000 are accepted for projects that are in or are for the benefit of our giving area. More than \$202 million in the areas of Arts & Culture, Community Vitality, Recreation, Social Services, and the Environment has been awarded since the foundation began making grants in 1989. Current areas of focus are Children, Youth & Education; Sustainable/Livable Communities.

Amount: Up to \$50,000

The Wayne and Gladys Valley Foundation (California)

<http://fdnweb.org/wgvalley/general-grant-policies/>

The Foundation seeks to make grants to organizations having broad based funding support, with a significant percentage of funds from other private sources; specifically defined goals and purposes; demonstrated effectiveness in its programs; expectations for continued success in its activities without future dependence on support from this Foundation; and committed, enthusiastic and diligent leadership. The Foundation is primarily focused on support of the East Bay Area of California. The Foundation's Board meets four times a year to consider grant applications. All grant applications will be answered as quickly as possible. Response time typically will be three to six months.

Weingart Foudation (Southern California Counties: Los Angeles, Orange, Riverside, San Bernadino, Santa Barbara, and Ventura only) (California)

<http://www.weingartfnd.org/grant-guidelines>

The Foundation provides grants and other support designed to improve the capacity and sustainability of nonprofit organizations delivering effective services in the areas of health, human services, and education for people and communities in need. The Foundation gives highest priority to activities that provide greater access to people who are economically disadvantaged and underserved. The Foundation also funds activities that benefit the general community and improve the quality of life for all individuals in Southern California.

Adolph Coors Foundation Grants (Colorado)

<http://www.coorsfoundation.org>

The primary areas of foundation interests are: 1.) Health, 2.) Education, 3.) Youth, Community and Human Services, and 4.) Civic and Culture

Amount: Varies

Deadline: March 1, July 1, November 1

BEST Grants (Colorado)

<https://www.cde.state.co.us/cdefinance/capconstbest>

Established in 2008 with the signing of C.R.S.22-43.7, BEST provides an annual amount of funding in the form of competitive grants to school districts, charter schools, institute charter schools, boards of cooperative educational services, and the Colorado School for the Deaf and the Blind. BEST funds can be used for the construction of new schools as well as general construction and renovation of existing school facility systems and structures.

Amount: \$100M

El Pomar Foundation (Colorado)

<http://www.elpomar.org/what-we-do/grants>

El Pomar contributes more than \$20 million annually through grants to nonprofit organizations and government equivalents across Colorado. The Foundation's focus areas include arts and culture, civic and community initiatives, education, health, and human services. In recent years, El Pomar has increased its support of areas outside Colorado's front range to include the entire state of Colorado.

Great Outdoors Colorado (Colorado)

<http://www.goco.org/grants>

The Great Outdoors Colorado Trust Fund (GOCO) receives its funding exclusively through Lottery revenues. GOCO uses their proceeds to fund open space, local parks and recreation, state parks, wildlife protection, and environmental projects. Many playgrounds have been built or updated through the lottery fund donations. Based on the four funding areas mandated by the Colorado Constitution—and with input from grantees and Coloradans—we've developed several grant programs: Local Government Park and Outdoor Recreation Grants - Helps construct and enhance community parks, outdoor recreation amenities and environmental education facilities. Also includes Mini Grants for smaller projects costing \$60,000 or less. Open Space Grants - Help to preserve Colorado's open spaces, including land along river corridors, urban parcels, agricultural lands and wildlife habitat. Planning Grants - Help to develop strategic plans that create, protect and enhance open space, wildlife habitat, parks and trails. Trails Grants - Is offered annually through the Colorado State Trails Program to develop recreational trails for hiking, biking, horseback riding and other non-motorized activities. Conservation Excellence Grants - Helps to improve and expand capacity at organizations working in land conservation

Hartford Foundation Regular Grants (Connecticut)

<http://www.hfpg.org/>

The Foundation awards grants for a broad range of purposes to a wide variety of nonprofit organizations in social services, health, education, early childhood and youth services, arts and culture, housing and neighborhood development, and other charitable fields in the state of Connecticut. These grants: enhance or strengthen existing activities; provide start-up for organizations and new programs; provide support for capital improvements.

Interested applicants are encouraged to call a program contact to discuss their project before beginning the application process. Nonprofit organizations in the following Connecticut towns are eligible to apply for funding: Andover, Avon, Bloomfield, Bolton, Canton, East Granby, East Hartford, East Windsor, Ellington, Enfield, Farmington, Glastonbury, Granby, Hartford, Hebron, Manchester, Marlborough, Newington, Rocky Hill, Simsbury, Somers, South Windsor, Suffield, West Hartford, Wethersfield, Windsor, Windsor Locks, Tolland, and Vernon. Proposals for statewide programs may be considered when there is a substantial benefit to residents of these communities. Application Process: Submit an application online, the review process takes about 90 days from submission.

Amount: Maximum amount is \$500,000, most grants awarded are significantly smaller than this amount

Deadline: Rolling

Neighborhood Assistance Grants (Connecticut)

<https://portal.ct.gov/DRS/Credit-Programs/Neighborhood-Assistance/Neighborhood-Assistance-Act-Tax-Credit-Program#49985>

Sarah Giles Moore Foundation (Georgia)

<https://thesaragilesmoorefoundation.org/about-us/>

"The Sara Giles Moore Foundation was established in 1997 by Sara Giles Moore to ensure the continuation of her active role supporting her community. Mrs. Moore had a long history of supporting the visual arts, cultural organizations, healthcare and numerous projects which enhanced the quality of life for those living in and around Metro Atlanta, Georgia. Through her investments of both time and money, her generosity has helped to make significant improvements in each of these areas. The philanthropic interests of Mrs. Moore, clearly discernible through her long history of giving, are used as guidelines for establishing funding priorities. The Foundation Board of Trustees will use its best collective judgment to meet these qualified needs of the Metro Atlanta, Georgia community through careful assessment and selection."

Amount: \$100,000

The Community Foundation for Greater Atlanta (Georgia)

<http://www.cfgreateratlanta.org/Grants-Support.aspx>

The Foundation offers financial grants, consulting management support to nonprofit organizations in the 23-county metro Atlanta area through multiple programs, including the Common Good Funds, as well as programs and partnerships focused on specific areas of interest and need. Dates and deadlines vary per specific grant applied for. For more information call the Foundation at 404-688-5525.

The James M. Cox Foundation (Atlanta, GA or areas where Cox Enterprises does business) (Georgia)

<http://coxenterprises.com/corporate-responsibility/giving/foundations.aspx#.UqSjjihORFI>

The Foundation provides philanthropic support for not-for-profit organizations in communities where Cox Enterprises, Inc. does business. The Foundation is concentrating its community support in several priority areas: conservation and environment, early childhood education (birth to five years), empowering families and individuals for success, and health. Two types of support are considered: requests for capital campaigns and requests for special projects.

Deadline: February 15, June 15, and October 15 by midnight.

The Robert W. Woodruff Foundation (Georgia)

<http://woodruff.org/grants-program/>

The Robert W. Woodruff Foundation, Inc. is an independent private foundation with a broad charter to support charitable, scientific and educational activities. The Foundation is governed by a self-perpetuating Board of Trustees under the laws of the state of Georgia. Grants generally are limited to tax-exempt public charities located and operating in Georgia. Principal giving interests are focused on the following program areas: Elementary, secondary, higher education, healthcare, education and human services, particularly for children and youth. Other areas are economic development, civic affairs, art and cultural activities, conservation of natural resources and environmental education. Application Process: No application form is required. Proposals should be in letter form, addressed to P. Russell Hardin, Robert W. Woodruff Foundation, 191 Peachtree Street, NE, Suite 3450, Atlanta, GA 30303. Visit their website for proposal guidelines.

Amount: \$100,000 -\$1,000,000

Deadline: Grant proposals can be submitted any time during the year. Proposals received by February 1 are considered in April. Proposals received by September 1 are considered in November.

Legacy Land Conservation Program (LLCP) (Hawaii)

<http://hawaii.gov/dlnr/dofaw/forestry/urban-and-community-forestry/grant-program-1/how-to-apply/?searchterm=grants>

The Legacy Land Conservation Program (LLCP) provides funding from the Land Conservation Fund for the acquisition of lands, including easements, for: Parks, Coastal areas, beaches, and ocean access, Natural areas, Habitat protection, Cultural and historical sites, Open spaces and scenic resources, Recreational and public hunting area. Grants from the Land Conservation Fund are available through Legacy Land Conservation Program to State agencies, counties, and non-profit land conservation organizations seeking funding to acquire property that has value as a resource to Hawaii. County agency or non-profit land conservation organization grant recipients must provide matching funds of at least 25% of the total project costs.

Amount: Award amounts vary

Albertson Foundation (Idaho)

<https://www.jkaf.org/about/>

The J.A. and Kathryn Albertson Foundation believes in making Idaho a place to continuously learn, thrive, and prosper. We invest our resources based on a passion for LEARNING, PEOPLE, and COMMUNITIES. We are dedicated to raising awareness and expanding ways to learn; and to enhancing sense of place and community for all Idahoans. Through elevating conversation, igniting creativity, inspiring collaboration, and investing in innovative solutions, we can help make Idaho an extraordinary place to live.

Amount: \$700M

Laura Moore Cunningham Foundation (Idaho)

<http://www.lauramoorecunningham.org/home.html>

"The Laura Moore Cunningham Foundation is dedicated to advancing the great State of Idaho. We believe that this is a wonderful place to live, work and raise a family. For more than fifty years, we have provided support to organizations that make Idaho great. Through family leadership and low costs, we have maximized the funds we can provide through our two main efforts, a scholarship program and a competitive grants program. "

Carver Charitable Trust (Illinois)

<http://www.carvertrust.org/index.php?page=7>

The Carver Charitable Trust awards grants to I.R.S.- designated 501(c) (3) tax-exempt organizations. Grants are not made directly to individuals, although some awards to institutions may be distributed to individuals in the form of scholarships and research funding. The Trust does not generally provide annual operating support or award endowments, although the Trustees realize that endowments are occasionally necessary to accomplish the long-term goals of a proposal. The great majority of grants are given to organizations located in, and for projects to be conducted within, the state of Iowa and portions of Illinois, as well as to other organizations in which Mr. Carver had an interest during his lifetime. Generally speaking, the Carver Trust supports biomedical and scientific research, scholarships, and programs addressing the educational and recreational needs of youth. Application Process: Submit an initial letter of inquiry before submitting a formal request. Visit their website for a full list of guidelines.

Amount: Award amounts vary

Deadline: February 15, May 15, August 15, November 15

Open Space Lands Acquisition and Development Program (OSLAD) & Land and Water Conservation Fund (LWCF) (Illinois)

<https://www.dnr.illinois.gov/AEG/Pages/OpenSpaceLandsAcquisitionDevelopment-Grant.aspx>

The OSLAD Program is a state-financed grant program that provides funding assistance to local government agencies for the acquisition or development of land for public parks. The LWCF is a similar program. Application Process: Visit their website to download an application. Grant awards are typically announced by December or January.

Amount: Funding assistance up to 50% of approved project costs can be obtained.

Deadline: Written applications must be submitted May 1-July 1 of each year.

Rebuild Illinois (Illinois)

<https://www.documentcloud.org/documents/6015305-Illinois-Gov-J-B-Pritzker-s-Rebuild-Illinois.html>

Rebuild Illinois leverages as much federal money as possible to bring significant investments to our surface, rail, water, broadband and community infrastructure. The plan will expand broadband statewide for businesses and entrepreneurs and put education front and center, because Illinois students are our most important asset and deserve cradle to career opportunities. Rebuild Illinois provides the investment Illinoisans need and deserve to thrive in their communities.

Amount: \$8M

Spaces to Grow Chicago (Illinois)

<https://www.spacetogrowchicago.org/for-schools/selection-criteria/>

<https://bloomington.in.gov/departments/hand>

The Housing and Neighborhood Development Department enhances the quality of life for Bloomington residents by developing programs, services, and partnerships to preserve community character, promote affordable housing and encourage neighborhood vitality.

Creating Places and Indiana Housing and Community Development Authority (Indiana)

<https://www.patronicity.com/creatingplaces#!/>

Creating Places is a collaborative effort between the Indiana Housing and Community Development Authority (IHCD) and Patronicity. As a place-based crowdgranting program, Creating Places empowers the public - residents, businesses and community organizations - to play a role in achieving community improvements and building community pride.

Amount: \$1.1M

Healthcare Foundation of Laporte (Indiana)

<https://hflaporte.org/>

The Healthcare Foundation of La Porte (HFL) is dedicated to our mission of empowering residents to live healthy and well within the City of La Porte and surrounding areas. HFL identifies health as “a state of complete physical, mental and social wellbeing and not merely the absence of disease or infirmity” as defined by the World Health Organization. We recognize that wellness is the “active process through which people become aware of, and make choices toward, a more successful existence” and the six dimensions of wellness are emotional, occupational, physical, social, intellectual and spiritual as developed by the National Wellness Institute.

Indiana Community Improvement/Development Grants (Indiana)

<http://www.siafoundation.org/index.htm>

Grants to qualifying organizations or entities within Indiana that will improve the quality of life and help meet the needs of the residents of the State of Indiana. The Foundation achieves this mission through cash grants which are used to support the funding of specific capital projects in the areas of: • Arts and Culture • Education • Health and Welfare Funding must be used for investments in facilities, equipment or real estate (non-operation funding). Application Process: Applications may be found online. Winners will be announced June 15 and December 15.

Deadline: Applications will be accepted January 1-March 31 and July 1-September 30.

NewAllen Alliance (Indiana)

http://www.newallenalliance.net/about_us.html

Founded in 1991, the NewAllen Alliance is an all-volunteer organization that works to bring people to the table who have a passion to see the communities in East Allen County thrive and excel. Member communities who have representative board seats include Grabill, Harlan, Hoagland, Monroeville, New Haven, Leo-Cedarville, and Woodburn. The organization was started with a \$150,00 revolving loan grant from the United States Department of Agriculture (USDA) to offer low interest loans to the businesses, in the area being served, for equipment or infrastructure improvement needed to expand the business helping create jobs and added commerce. Through the interest earned on this program, NewAllen was able to launch a facade grant program that offers a rebate back to business owners who do work on the outside facade. This grant allows for a 1/3 match up to \$1,000 back. These program continue today as a part of the organization.

Amount: \$900K

The Community Foundation of St. Joseph County (Indiana)

<http://www.cfsjc.org/grants>

Mark Twain Development CDBG Fund (Missouri)

<https://www.marktwaincog.com/community-development-block-grant>

"The Community Development Block Grant (CDBG) program is administered by the Missouri Department of Economic Development. In the Mark Twain Region, projects are predominately funded for critical infrastructure improvements, demolition of vacant and dilapidated structures and community facility projects. CDBG funds are considered last resort funding and are often coupled with USDA Rural Development or State Revolving Funds (SRF). Historically, the Council of Governments has been very active in both writing and administering CDBG projects. Projects have included construction of new fire stations, senior centers, ADA compliance, demolition of vacant deteriorated structures, water and sewer improvements, as well as bridge, street and drainage improvements. Additionally, infrastructure improvements necessary for the expansion or development of new industry have also been completed utilizing CDBG funds. Nearly every community and county in the region has experienced the benefit of CDBG funds. "

Missouri Department of Natural Resources (Missouri)

<http://www.dnr.mo.gov/financial.htm>

This website has various different loan and grant programs including outdoor recreation grants. Visit the website for more details.

Patrick Mahomes 15 and The Mahomies (Missouri)

<https://www.15andthemahomies.org/>

"15 and the Mahomies is dedicated to improving the lives of children. The Foundation supports initiatives that focus on health, wellness, communities in need of resources and other charitable causes. It was established by NFL MVP, Kansas City Chiefs QB Patrick Mahomes in 2019."

Platte County Parks Grants (Missouri)

<https://www.platteparks.com/outreach-grants/>

"The Platte County Commission developed the Outreach Grant Program to promote the development of local parks and recreation facilities and programs and to enhance the quality of life for all residents. The program strengthens partnerships between the County, local governments, and non-profit organizations to strategically meet our common goals. Applicants must be a local government, school district or other public subdivision of the state of Missouri. In addition, IRS-designated non-profit organizations are also eligible to apply. Groups are encouraged to partner with other organizations or the private sector, to provide matching resources for the proposed project. Approximately \$250,000 is available each year for disbursement through this program. Expanding the Outreach Grant Program was one of the first priorities of the county's Parks and Recreation Master Plan. The funds are available as a direct result of a quarter-cent sales tax that was approved by Platte County voters in August 2020."

Amount: \$250,000

Deadline: January 15, 2021

Amount: \$5,000 to \$500,000

NYC Green Relief Fund (New York)

<https://cityparksfoundation.org/nyc-green-fund/>

"During the summer of 2020, the NYC Green Relief & Recovery Fund awarded 194 grants to nonprofits and community groups that provide essential maintenance, stewardship, public programming, and management of parks and open spaces across the five boroughs of New York City. A recent review by the Central Park Conservancy's Institute for Urban Parks looked closely at critical parks and open space-related issues in New York City at the request of the NYC Green Fund [see report here]. The resulting report and subsequent discussions with practitioners provided guiding areas to strengthen the parks and open space sector. The NYC Green Fund focuses on supporting innovation and systemic changes that will enable New York City to manage open space more effectively, equitably, efficiently, and collaboratively. Collaborative Funding Opportunity with the NYC Green Relief & Recovery Fund is accepting letters of interest here until 11:59pm on January 19, 2021. The NYC Green Relief & Recovery Fund is intended to grow, and we encourage those interested in supporting this work to donate now or contact NYCGreenFund@cityparksfoundation.org for more information. Read the latest press release here and see recent press coverage here."

Deadline: January 19, 2021

Richard Shineman Foundation (New York)

<http://www.shinemanfoundation.org/our-mission-vision>

The mission of the Richard S. Shineman Foundation is to enhance the quality of life in Oswego County. It will engage in charitable activities with integrity, honesty and compassion, and will pursue excellence through the highest professional grantmaking standards. Make An Impact (North Carolina)

<https://makeanimpactnow.org/>

Make An Impact Foundation is to promote the education and well-being of children. We identify children in severe need (homeless, poverty, etc.) as well as those with learning needs, emotional needs, disabilities or disease, and create opportunities to produce change in their lives. Our vision at MAIF is to meet the needs of children by identifying worthwhile projects, empowering project champions, and finding donor partners to help meet each need.

North Carolina Parks and Recreation Trust Fund (North Carolina)

<https://www.ncparks.gov/more-about-us/parks-recreation-trust-fund/parks-and-recreation-trust-fund>

The Parks and Recreation Trust Fund (PARTF) provides dollar-for-dollar matching grants to local governments for parks and recreational projects to serve the public. PARTF is the primary source of funding to build and renovate facilities in the state parks as well as to buy land for new and existing parks. A portion of PARTF is the primary funding source for the Public Beach and Coastal Waterfront Access Program. The program, administered by the Division of Coastal Management (DCM), offers matching grants to local governments throughout North Carolina's twenty coastal counties.

Amount: \$6.7M

The Cleveland Foundation (Ohio)

<http://www.clevelandfoundation.org/Grantmaking/ApplyForAGrant/default.html>

For more than 95 years, the Cleveland Foundation has helped innovative ideas and programs come to life in Greater Cleveland's nonprofit community through their grantmaking. Their impact can be felt all over Northeast Ohio - in their metropolitan parks, their cultural institutions, their neighborhoods, and their schools. Each year, the Cleveland Foundation awards \$80 million to \$87 million in grants, primarily to nonprofit organizations in Cuyahoga, Lake, and Geauga counties.

Amount: Award amounts vary

Deadline: Rolling

The Hershey Foundation (Ohio)

<http://fdnweb.org/hershey/>

The Hershey Foundation is dedicated to providing Northeast Ohio children with special opportunities for personal growth and development. The Foundation's support helps schools, museums, cultural institutions, and other non-profit organizations by developing and implementing innovative programs. They make the future brighter for children by improving quality of life, building self-esteem, enhancing learning, increasing exposure to other cultures and ideas, and encouraging the development of independent thinking and problem-solving skills. Funding is provided for program development and special projects, equipment that brings new capabilities to an organization, capital campaigns and endowment of special projects.

Toledo Community Foundation (Ohio)

<http://www.toledocf.org/grants/overview>

Toledo Community Foundation, Inc., is a public charitable organization created by citizens of their community to enrich the quality of life for individuals and families in their service area. The Foundation serves Northwest Ohio and Southeast Michigan with an emphasis on the greater Toledo area. Grants from unrestricted funds support a variety of programs in education, social services, physical and mental health, neighborhood and urban affairs, natural resources, and the arts. Capital project requests will be given priority consideration. The Fund will look most favorably on requests that involve additional funders and not those that attempt to rely solely on the Fund to support the project entirely.

Amount: Varies

Deadline: Deadlines for Community funds: January 15 and September 15

Wes Welker Foundation (Oklahoma)

<http://www.weswelkerfoundation.org/>

Since its inception, the Wes Welker Foundation has awarded more than \$1,900,000 in grants to over 40 Oklahoma City schools and organizations. These grants paid for weight rooms, training equipment for multiple sports, uniforms and improvements to facilities and fields. The impact these grants have made is measurable, not just in the form of championships won, but also by the dramatic increases in the number of kids participating in sports at our grant-recipient schools and the number of student athletes who have gone on to play sports at the college level. For some students, sports keep them engaged in their school communities thus increasing their education and their graduation success rate.

Amount: \$1,900,000

Oregon Parks and Recreation Department (Oregon)

<http://www.orpa.org>

The Oregon Parks and Recreation Department (OPRD) oversees several grant programs. Each program has its own schedule and requirements. The eligible match by the Project Sponsor may include local budgeted funds, local agency labor or equipment, federal revenue sharing, other eligible grants, state and county inmate labor, donated funds, the value of private donated property, equipment, materials, labor, the value of land acquired within the past six year period, cost of appraisals, pre-development costs within the past two year period (cannot exceed 15 percent of total project costs), or any combination thereof.

Keystone Communities Fund (Pennsylvania)

<https://dced.pa.gov/programs/keystone-communities-program-kcp/>

The Keystone Communities (KC) program is designed to encourage the creation of partnerships between the public and private sectors that jointly support local initiatives such as the growth and stability of neighborhoods and communities; social and economic diversity; and a strong and secure quality of life. The program allows communities to tailor the assistance to meet the needs of its specific revitalization effort.

Amount: \$500K

Philadelphia Parks (Pennsylvania)

<http://rebuild.phila.gov/>

Rebuilding Community Infrastructure (Rebuild) is a seven-year, \$500 million investment in Philadelphia's neighborhoods. The money will be used to improve neighborhood parks, libraries, recreation centers, and playgrounds with the goals of promoting equity and encouraging economic growth across the city. These improvements are also expected to promote educational opportunities for children, support healthy lifestyles for all, improve public safety in our shared spaces, and create jobs for Philadelphians.

Amount: \$500M

Richard Mellon Foundation (Pennsylvania)

<https://www.rkmf.org/grants>

With assets over \$2.6 billion at December 31, 2017, the Richard King Mellon Foundation has built on the vision of its founders. The Foundation's current giving priorities primarily serve southwestern Pennsylvania with a program focus on Regional Economic Development and Conservation, along with Education and Human Services and Nonprofit Capacity Building. The Foundation gives first consideration to requests that clearly align with these interests and demonstrates the greatest likelihood of achieving measurable results.

Amount: \$2.6B

The Harriet and Jeannette Weinberg Foundation (Pennsylvania)

<http://hjweinbergfoundation.org/>

All applicant must be tax exempt under the IRS Code Section 501(c)(3). Their geographic focus is primarily in Maryland, Hawaii and Northeastern Pennsylvania. The foundation normally awards grants for older adults and workforce development. Now they are funding capital grants throughout the US.

Amount: Up to 30% of the Project

Green Space Grant Programs (Rhode Island)

<http://www.dem.ri.gov/programs/planning/grants/index.php>

This grant program provided up to 50% matching funds to municipalities, land trusts and non-profit conservation land organizations to preserve valuable open space in our State. Applications were scored by the Rhode Island Natural Heritage Preservation Commission Advisory Committee and submitted to the DEM Director for approval.

Amount: \$4M

Rhode Island Department of Recreation Grants (Rhode Island)

<http://www.dem.ri.gov/programs/planning/grants/index.php>

DEM's GREEN SPACE GRANT PROGRAMS fund land conservation, recreational land acquisition and development, and recreational trail development and improvements. Each of these programs operates under a set of rules and regulations with Committee and Department oversight. The grant programs rely on State bond funding and Federal program funds. All funds require a local matching contribution which might be fulfilled with in-kind services or cash match from the grant applicant. Eligible applicants and matching fund requirements vary by program. Please review each program carefully to determine if your organization and project is eligible for funding. DEM Staff is available to guide you in this process and to help you get started.

Amount: \$4M

Gambrill Foundation Grants (South Carolina)

<https://www.wellsfargo.com/privatefoundationgrants/gambrill>

Seeks to support organizations that make it a mission to uplift and positively impact the residents of the Anderson County, SC area. The Foundation distributed 15 grants per year that have an average size between \$5,000 and \$15,000.
