POOL CLIMBING WALL

Climbing increases fitness levels through development of strength, coordination, cardiovascular endurance and muscle endurance. It also provides participants with positive risk taking and creative problem solving. And best of all, it's a SPLASH!

“ We are getting a great response [to Kersplash]! Last year's attendance was just over 1,550 visits. This year, we are close to 4,000 visits! We had one group booked 3 days a week at another pool change reservations to our pool because they liked the wall so much! ”

- Jeff Moffitt | Parks & Recreations - Gainesville, FL

Kersplash climbing walls are now available in clear see-through panels, and translucent blue and green panels!

Get a custom look at your facility by configuring the Kersplash Kolor panels in a fun checkerboard pattern, alternating columns, or all clear, blue or green panels.

CLIMB. SPLASH. REPEAT.™

ADD ADVENTURE TO YOUR AQUATIC AREA WITH A POOLSIDE CLIMBING WALL

Kersplash is suited for indoor or outdoor use and complements any aquatic center. Kersplash offers lifeguards visibility to areas behind the wall for safety. All components are made from UV and chlorine-resistant materials and feature red, yellow and orange Groperz™ Hand Holds. The Kersplash frame is constructed of high-quality, 100% passivated stainless steel to withstand harsh pool environments.

Kersplash Pool Climbing Walls are modular and can be made to fit any space and deck configuration. The 4' panels attach to a stainless steel frame allowing you to customize the height and width of the wall to meet your needs.
