

# MEASURING GUIDE

## Customer Responsibilities

Please read and initial all boxes below to help complete your order.

<b>Initials</b> _____	<b>Delivery:</b> Your wall will ship to the delivery address you have specified via truck ( <u>cannot deliver to PO Boxes</u> ).
<b>Initials</b> _____	<b>Unloading:</b> You will be responsible for unloading the truck. This can take as little as 25 minutes with a group of 4-6 people without a lift. Each Kersplash structural frame will come on one pallet. A fork lift with extensions on the forks is advised for ease of unloading. <u>Lift gate is not available on any orders.</u>
<b>Initials</b> _____	<b>Inspection:</b> Please inspect all pallets and boxes before signing for the delivery. <b>If there is any damage, you MUST note the damage on the delivery receipt BEFORE you sign it, or a damage claim cannot be filed with the trucking company.</b> This is very important - please notify your receiving personnel and the person who usually signs for deliveries of this fact. Call us if there is any apparent damage and we will work with you to resolve the problem. Do not throw away any damaged material.
<b>Initials</b> _____	<b>Storage:</b> Please protect your shipment until the installation takes place. Any damage occurring after receipt is your responsibility.
<b>Initials</b> _____	<b>Pictures:</b> Please email <a href="mailto:info@spectrumproducts.com">info@spectrumproducts.com</a> a set of 4 or 5 digital pictures. The following shots are helpful: <ul style="list-style-type: none"> <li>• 1 or 2 wide angle shots showing the entire site</li> <li>• Close-ups of any features such as coping, gutters, drains, etc. Please include ruler or tape measure with any close-ups.</li> </ul> Please do not fax photos.
<b>Initials</b> _____	<b>Drawings and Measurements:</b> Along with the pictures, please submit the completed Gutter Measure Guide (next page). If your gutter is not represented, please provide a detailed drawing with measurements of the pool area. The drawing does not have to be to scale, but should include as much detail as possible. Also, please ensure that you have room for your pool wall.
